

# CONTENTS

Volume 53, Issue 1, March 2006

## EDITORIAL

- 1 On impacts and other factors  
*Janet Fricke*

## FEATURE ARTICLES

- 3 Conducting case study research in occupational therapy  
*Anna-Liisa Salminen, Toini Harra and Tiina Lautamo*
- 9 Exploration of the link between conceptual occupational therapy models and the International Classification of Functioning, Disability and Health  
*Tanja A. Stamm, Alarcos Cieza, Klaus Machold, Josef S. Smolen and Gerold Stucki*

## RESEARCH ARTICLES

- 18 Job satisfaction in occupational therapy: A qualitative investigation in urban Australia  
*Katherine Moore, Mary Cruickshank and Marion Haas*
- 27 Children walking to school: Parent perceptions of environmental and psychosocial influences  
*Jenny Ziviani, Raymond Kopeshke and David Wadley*
- 35 The effects of contextual relevance and ownership on a reaching and placing task  
*Michelle N. Holubar and Martin S. Rice*

## VIEWPOINT

- 43 Occupational deprivation: A consequence of Australia's policy of assimilation  
*Lynne Zeldenryk and Yalmambirra*

## IN PRACTICE

- 47 Occupational therapy for people with ventricular assist devices  
*Judy Shepherd and Clare Wilding*

## EDITORIAL: CRITICALLY APPRAISED PAPERS

- 50 Limited high-quality research on the effectiveness of assistive technology  
*Meryl Lovarini, Annie McCluskey and Michael Curtin*

## CRITICALLY APPRAISED PAPERS

- 51 Home-based training in the use of bathing devices increased usage and resulted in small improvements in personal independence and satisfaction for people with stroke  
*Tammy Hoffmann and Trish Wielandt*
- 52 People with multiple sclerosis and severe spasticity found tilt-in-space wheelchairs more comfortable than conventional wheelchairs  
*Michael Curtin and Karen Whalley Hammell*
- 54 Elderly people who had a stroke accepted using a wheelchair when they saw that by using it they could regain a sense of continuity in their lives  
*Michael Curtin and Jo Watson*
- 56 An enhanced wheelchair-skills training program improved the competency of manual-wheelchair users  
*Annie McCluskey and Lisa Harvey*

## LETTERS TO THE EDITOR

- 58 Re: An enhanced wheelchair-skills training program improved the competency of manual wheelchair users  
*R. Lee Kirby and Angela H. MacPhee*

- 59 The clinician's role in promoting improvement and change  
*Kylee Lockwood*
- 59 Dutch EBP projects inspired by CAPS policies and procedures of AOTJ  
*Esther MJ Steultjens*
- 60 In response to 'Enabling model for assessing overseas-trained occupational therapists seeking to work in Australia'  
*Anna Campbell*
- 61 In response to Anna Campbell  
*Brenton Kortman*
- 62 THESIS ABSTRACTS

Volume 53, Issue 2, June 2006

## EDITORIAL

- 65 The International Classification of Functioning, Disability and Health: They're talking our language  
*Christine Imms*

## FEATURE ARTICLES

- 67 Compensable work disability management: A literature review of biopsychosocial perspectives  
*Debra A. Dunstan and Tanya Covic*
- 78 Understanding children's motivation from a self-determination theoretical perspective: Implications for practice  
*Anne A. Poulsen, Sylvia Rodger and Jenny M. Ziviani*
- 87 A longitudinal study on the transformation of 15 occupational therapist students' paradigms into occupational therapists' paradigms  
*Anita Björklund and Tommy Svensson*
- 98 Choosing the most appropriate environment to evaluate independence in everyday activities: Home or clinic?  
*Carolina Bottari, Elisabeth Dutil, Clément Dassa and Constant Rainville*

## RESEARCH ARTICLES

- 107 Discharge decision-making with older people: The influence of the institutional environment  
*Gillian Moats*
- 117 Validity and reliability of the MEDYN questionnaire for evaluation of functioning in mental health clients receiving occupational therapy  
*Hodayah Odes, Ester Noter, Maya Bar Nir, Dina Marcus, Yosefa Shamir and Nira Nir*

## VIEWPOINT

- 127 The International Classification of Functioning, Disability and Health can help to structure and evaluate therapy  
*Peteris Darzins, Susan Fone and Susan Darzins*

## IN PRACTICE

- 132 Using a participatory research method to develop a handbook for driving instructors to assist with teaching older drivers  
*Marilyn Di Stefano and Robin K. Lovell*

## CRITICALLY APPRAISED PAPERS

- 136 Daily activities of families with a child with severe autism revolved around the need to occupy and pacify the child: Families felt robbed of meaning and satisfaction in family life  
*Christine Imms, Sylvia Rodger and Jenny Ziviani*

- 137 There was insufficient evidence to conclude whether parent-mediated early intervention was effective for children with autism  
*Margaret Wallen and Karen Stagnitti*
- 139 Three sessions of adult imitation increased some appropriate social behaviours of young children with autism  
*Margaret Wallen and Kim Bulkeley*

## LETTERS TO THE EDITOR

- 141 The *Handwriting speed test*  
*Margaret Wallen, Mary-Ann Bonney and Lyn Lennox*
- 142 Exploration of the link between occupational therapy models and the International Classification of Functioning, Disability and Health: A response from colleagues in Norway  
*Ingvild Kjeklen and Solvår Lillemo*
- 143 Exploration of the link between conceptual occupational models and the International Classification of Functioning, Disability and Health: Answers to the comments from Norway  
*Tanja Stamm, Alarcos Cieza and Gerold Stucki*
- 145 MEDIA REVIEW
- 146 BOOK REVIEWS

Volume 53, Issue 3, September 2006

## EDITORIAL

- 149 Occupational Therapy Worldwide: WFOT  
*Kit Sinclair*

## FEATURE ARTICLES: WFOT CONGRESS

- 151 Being before doing: The cultural identity (essence) of occupational therapy  
*Ruth Marguerite Watson*
- 159 Globalisation, universities and the future of occupational therapy: Dispatches for the Majority World  
*Rachel Thibeault*
- 166 OT — Outstanding talent: An entrepreneurial approach to practice  
*Marilyn Pattison*

## FEATURE ARTICLES

- 173 Older people's experience of driver licence cancellation: A phenomenological study  
*Bianca J. Whitehead, Linsey Howie and Robin K. Lovell*
- 181 *The Waiting Place*: A caregiver's narrative  
*Nancy Salmon*

## RESEARCH ARTICLES

- 188 How and why do occupational therapists use the OTseeker evidence database?  
*Annie McCluskey, Meryl Lovarini, Sally Bennett, Kryss McKenna, Leigh Tooth and Tammy Hoffmann*
- 196 Interests that occupy 86-year-old persons living at home: Associations with functional ability, self-rated health and sociodemographic characteristics  
*Greta Häggblom-Kronlöf and Ulla Sonn*
- 205 Perceptions of occupational therapists practising in rural Australia: A graduate perspective  
*Susan Devine*

- 211 Subjective leisure experiences of older Australians  
*Ben Sellar and Kobie Boshoff*
- 220 'Motor Magic': Evaluation of a community capacity-building approach to supporting the development of preschool children  
*Naomi Priest*

## VIEWPOINT

- 233 Project-focussed fieldwork: Core business or fieldwork fillers?  
*Tracy Fortune, Louise Farnworth and Carol McKinstry*

## EDITORIAL: CRITICALLY APPRAISED PAPERS

- 237 Critically Appraised Papers Related to Children with Autism: June 2006 Issue  
*Margaret Wallen and Christine Imms*

## CRITICALLY APPRAISED PAPERS

- 238 A group education program reduced falls among community-dwelling older people at risk of falling  
*Annie McCluskey and Susan Brandis*
- 240 Interventions that target multiple risk factors and known fallers seem to be effective in reducing falls in elderly people  
*Esther Steultjens, Miranda van Duyn and Marlies Verkade*
- 241 Considering older people's views is important in gaining and maintaining participation in falls prevention interventions  
*Sally Bennett and Claire Ballinger*
- 243 A preventative home safety programme for community-dwelling older people with low vision reduced falls and was more cost-effective than an exercise programme  
*Esther Steultjens and Lindy Clemson*

## 245 BOOK REVIEWS

## 247 THESIS ABSTRACTS

Volume 53, Issue 4, December 2006

## EDITORIAL

- 249 Peer review revisited  
*Lynette Mackenzie*

## FEATURE ARTICLES

- 251 Home programmes in paediatric occupational therapy for children with cerebral palsy: Where to start?  
*Iona Novak and Anne Cusick*
- 265 Reliability of the Australian Therapy Outcome Measures for Occupational Therapy Self-care scale  
*Fiona Scott, Carolyn A. Unsworth, Janet Fricke and Nicholas Taylor*

- 277 Effective supervision for occupational therapists: The development and implementation of an information package  
*Susan Fone*

## RESEARCH ARTICLES

- 284 Framing a set of non-academic selection criteria for occupational therapy students: An Australian study  
*Michael Lyons, Lynette Mackenzie, Miles Bore and David Powis*
- 293 A framework for systematically improving occupational therapy expert opinions on work capacity  
*Shelley Allen, Glenys Carlson, Tamara Ownsworth and Jenny Strong*

- 302 Diversity in occupational therapy: Experiences of consumers who identify themselves as minority group members  
*Bonnie Kirsh, Barry Trentham and Sametta Cole*

- 314 Pretend play and parents' view of social competence: The construct validity of the Child-Initiated Pretend Play Assessment  
*Dianne Swindells and Karen Stagnitti*

- 325 Australian normative data for the Occupational Therapy Adult Perceptual Screening Test  
*Deirdre M. Cooke, Kryss McKenna, Jennifer Fleming and Ross Darnell*

#### VIEWPOINT

- 337 Stroke: The silent Cinderella!  
*Isobel Hubbard*

#### CRITICALLY APPRAISED PAPERS

- 341 The evidence for the effectiveness of psychological interventions to assist people with cognitive impairments with multiple sclerosis was found to be inconclusive  
*Natasha Lannin and Wendy A. Longley*

- 343 An energy conservation course decreased fatigue impact and increased some aspects of quality of life at 6 weeks for persons with multiple sclerosis  
*Christine Lin and Esther Steultjens*

#### LETTERS TO THE EDITOR

- 345 Response to Critically Appraised Paper, 'An energy conservation course decreased fatigue impact and increased some aspects of quality of life at 6 weeks for persons with multiple sclerosis'  
*Virgil G. Mathiowetz, Marcia Finlayson and Kathleen Matuska*

- 346 In praise of auto-ethnography  
*Sally Denshire*

- 348 BOOK REVIEWS

- 351 REFEREES
